Maple Family Centers Pre-Bowl Policy

Thank you for bowling in a league with us! We are bowlers too and strive to give our league bowlers the best possible experience. We know bowling during your regularly scheduled league time is not always possible, and we try to be as accessible as we can for pre- and post-bowlers. With that in mind, please see our pre- & post-bowl policies:

- All pre-bowls must comply with each league's rules regarding eligibility, including team or individual participation, positional rounds, and any other league-specific restrictions. Please check with your league officers or a representative from the lanes to clarify.
- To best accommodate your request, please reserve pre-bowls in advance by phone or in person. Walk-in pre-bowls are not guaranteed lane availability.
- Pre-bowls are not permitted any time from **Friday at 5:00 PM through Sunday at 5:00 PM**.
- No pre-bowls are available during bank holidays and school recess periods.
- Pairs of lanes are not guaranteed for pre-bowls. We will do our best, but you may be restricted to one lane pending lane availability
- Freshly oiled lanes are not guaranteed for pre-bowls.
- Lane courtesy from open play is not guaranteed during pre-bowls.
- We cannot guarantee a peaceful league experience while you pre-bowl. We will do our best to suggest quieter times for your pre-bowl, but please note that there are times when the lanes are busy with other group events and times when we have music/lights, etc.
