Maple Family Centers continues its committment to women's sports and to supporting those who have served our nation

For nearly 80 years BVL, (The Bowlers to Veteran's Link) has been the bowling industry's oldest and most respected charity. BVL delivers much needed funds to Veterans Hospitals and State Homes to help support essential recreation therapy programs that address the emotional and physical needs of veterans and active-duty military.

This tournament celebrates women as BVL was formed by the WIBC (Women's International Bowling Congress) in 1943 who purchased medical transport planes that took our wounded soldiers to hospitals during WWII.

At the PWBA BVL Open you will see the greatest female

bowlers in the world compete and you will marvel at their skill level and commitment to the sport of bowling. You will realize how dedicated they are on the lanes, equal to those who began the BVL off the lanes.

All of the proceeds of this event will be donated by the LaSpina family and Maple Family Centers to the Bowlers to Veterans Link who will fund programs locally at St. Albans and Northport VA Hospitals as well as the Long Island State Veteran's Home at Stony Brook.

Be generous, cheer loudly and remember that we are free to roll games because many paid the price, some the ultimate price for our freedom.
